

Week One Prayer for Hope

Loving Creator,
as we begin
this season of
Advent HOPE
for Jesus' coming,
may we walk
in Your creation
giving thanks for the changing
seasons
that remind us of
your everlasting
love for us.
Give us hope today
that this
Advent season
will draw us closer to You
as we care for a little bit
of Your earth
with love, intention,
and remembrance.
Amen.

Week Two Prayer for Peace

Loving Creator,
let us be instruments
today for Your
PEACE,
a peace that will
transform our world.
During this Advent
Season may we bring
awareness and
reconciliation
to those in our world who
harm and exploit the
goodness
of Your creation.
Give us the words in
those moments to change
hearts and minds to bring
true
peace and justice
to our earth.
Amen.

Week Three Prayer for Joy

Loving Creator,
fill us with Advent
JOY as we await the
coming of Jesus.
May we filled with joy
and awe at the
wonder of God's
presence among us
and with the beauty
found in Your
creation. Help us to
be messengers of
Your joy as we work
for justice and peace
for all creation.

Amen.

Week Four Prayer for Love

Loving Creator,
may our celebration
of the coming
of Jesus
be a time of LOVE
and unity with Jesus
and with creation.

Let us deeply
experience the unity
that Your love has
created for
all people and
all creation.

Amen.
